

Banner Care

Double Sided Banners

VERY IMPORTANT

- 1 - Do NOT fold or crease your banner.** Rolling will allow it to look much better when reopened.
 - 3 - Store your banner back in the box it came in or a similar box for storage.
 - 4 - Do NOT put tape or other sticky materials on the ink surface. It will damage the print.
 - 5 - Do NOT use caustic agents or solvents on your banner. Window cleaner or soapy water work fine.
